

First Woman Joins Novice Radio Club

Sharon Johnson, newly elected secretary of the Indian Wells Valley Amateur Radio Club, is the first woman member of the group. She is attending twice weekly code and theory classes given by the club and hopes to pass the FCC exam soon for her amateur license.

Membership Open

Membership is open to interested persons of either sex and there are no age limits. Regular meetings are held in the club shack adjacent to the Hobby Shop every Monday night at 8 o'clock. Code and theory classes begin at 6:30 p.m. on Tuesday and Thursday nights.

It was decided at the last meeting to initiate a credit system whereby credits are earned by individuals for participating in club activities. These credits are to be used in procuring radio equipment and parts needed by individuals to build their own transmitters, receivers, test equipment, etc.

Two Rigs on the Air

The club presently has two rigs on the air and anyone desiring to send radiograms anywhere in the U.S., Canada, or U.S. possessions are encouraged to call Tom Dozier, Ext. 85501 or Ray Laidler, Ext. 87071, or stop by the club on Monday, Tuesday or Thursday evenings. There is no charge for this service.

A suggestion was made at the last meeting that a net be formed consisting of club members and other ham operators in the vicinity. An operating time convenient to the majority participating would be predetermined.

A \$1 one time fee to use the club's equipment which has been in effect for some time has been cancelled.

LEAVES FOR EUROPE—1st Lt. Tyrone St. Louis is lifted bodily by his well-wishing fellow cadets of China Lake CAP Squadron 84, 2nd Lt. Robert Meyer and M/Sgt. Gordon Braham, who are flanked by Cadets Jim Ivy and Robert Speckles, and carried to his plane at the Inyokern airport for the first leg of his flight to Europe.

CAP Cadet Flies to Europe On Exchange Program

China Lake Civil Air Patrol cadet, Squadron 84, 1st Lt. Tyrone St. Louis, left Tuesday on the first leg of a flight to The Hague, Netherlands, as a CAP International Air Cadet of the 1961 Exchange Program. He returns August 15.

St. Louis is one of seven outstanding cadets selected this year by the California Wing, CAP, to participate in a month-long tour that includes an interview with President Kennedy at the Nation's capital.

The California cadets boarded a 707 jet airliner early Wednesday at International Airport, Los Angeles, and flew to Washington, D.C., where they joined others scheduled to visit 19 foreign nations.

He was accompanied to Los Angeles by CAP Major Frederick L. Richards, Squadron 84 commander. His parents, Mr. and Mrs. F. G. St. Louis of Ridgecrest, joined him in Los Angeles before departure.

During the weeks of preparation for his trip abroad, Cadet St. Louis was engaged in many local activities and events. He participated in a NOTS tour conducted for prominent Ridgecrest and Kern County citizens and was guest of honor at a farewell party given by Squadron 84 members and friends.

The Ridgecrest C of C presented him with an elaborate selection of local gem stones, mounted, for gifts during his trip. John Savage, Ridgecrest C of C president, arranged for two sets of onyx book ends especially made for presentation to the Netherlands royal family as friendship gifts from the people of Ridgecrest. More than 100 colored postcard packets of Indian Wells Valley and adjacent areas were given to St. Louis by Al Christman, photographer for Chriscards. He received new luggage and a letter of congratulations from a Lt. Col. Lukacek, CAP Eastern Sierra Group Commander. George Air Force Base officials invited St. Louis to a special showing of USAF capability and air

Incentive Awards

Superior Achievement Awards: Robert E. Wilson.

Underwater Ordnance

Sustained Superior Performance: Milton D. Blott, Charles M. Gerbrach, James S. Grell, Wallace F. Hicks, Andrew A. Jukasz, Charles C. Reader, Floyd C. Sopper, Jack L. Sayre, Jack H. Springer.

Superior Achievement Awards: Dean W. Lawrence, Gene R. Anderson. Patents: Harold W. Thompson.

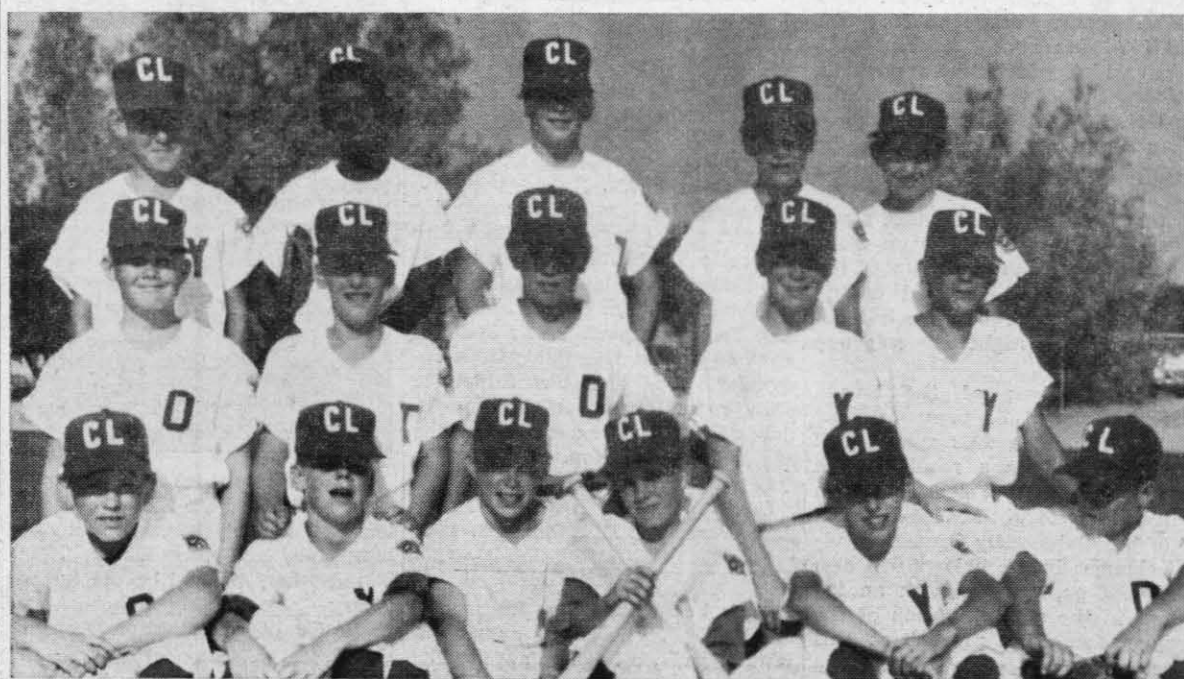

Swim Team to Compete

Members of the Indian Wells Valley swim team who were first and second place winners in last week's District swim meet will journey to Bakersfield tomorrow to compete in the Kern County Championship Meet.

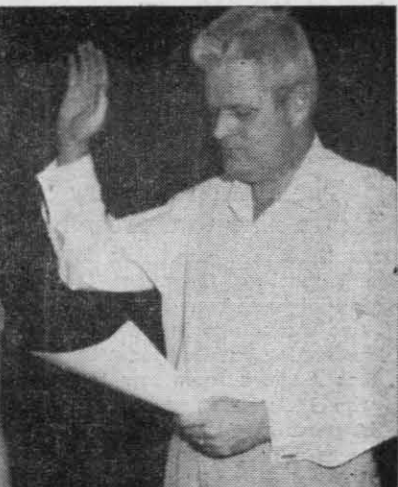

OVER 1,000 ATTEND—A portion of more than 1,000 persons attending the ninth annual Ice Cream Social sponsored by the Women's Guild of the NOTS Community Church last Tuesday evening on the

Chapel lawn are shown lined up awaiting their serving of home made ice cream. Barbershop singing, a band concert, clowns, balloons, and a photography booth provided entertainment for all.

LITTLE LEAGUE ALL-STARS—Sixteen players were selected from five Little League "A" teams to from the All-Star squad which tangled with the Ridgecrest-Inyokern All-Stars last night in the District playoff. Players first row (l-r) are: Teddy Sprouse, Giants; Mike Mead and John Martin, Yankees; Mike Sorge, Pirates; Gary Cotton and Doug Reid, Dodgers. Second row: Ed Brady, Dod-

gers; Butch Grell, Tigers; Rickey Roth, Dodgers; Duke Martin and Dave Muncie, Yankees. Third row: Bret Harney, Giants; Jeff Blanche, Pirates; Alan Chantler, Giants; Mike Machowsky, Tigers; and Bobby Brown, Giants. Winners of last night's game will go to Mojave Saturday night and radio station KRCK will tape the game for rebroadcast locally at 8 a.m. Sunday.

SUPERVISORS INSTALL—Eva Bien (c), Head of the Public Works Department Personnel Branch, is installed as secretary-treasurer of the Supervisors Association, Local No. 28, by president Bill Danley. Eva will complete the unexpired term of Guy Porter (l) who had to resign from the post because of other commitments.

Community Council Reports . . .

Community Interest Spurs RAFT Club Reorganization

A recent proposal submitted to Station Command by the Community Council outlining a new administrative concept for the RAFT Club to retain the Station's youth center was discussed by Community Council and Station officials in the office of the Commander last week.

Command's decision to provide the youth center facility to continue the teenage program was influenced by the willing response of Station youths and parents to undertake the task of the Club's administration.

Present at the conference were Captain Charles Blenman, Captain John Quensé, LeRoy Jackson, John

Cox, Haskell Wilson, Cdr. K. F. Williams, LCdr. S. L. Travers, Cdr. C. W. Heck, Lt. C. L. Vancil, William Hattabaugh, and John Strommen.

Based on Station Command's endorsement, work of several youth and adult committees will begin immediately. A steering committee, composed of John Strommen, William Hattabaugh, and LCdr. Jack Griffin has been formed to direct the efforts of the various committees toward one common goal.

The objective is to formulate an organizational plan which will best serve the interests of the youth of this community and also be acceptable to the adult population.

Groundwork Started
Last week, the steering committee met with a group of leading Burroughs High School students consisting of Donna Huse, Ann Nelligan, Jo Bratton, Tyrone St. Louis, Lee Jackson, Lynn Collier, John Dunaway, Jeff Besser, and Gary Day.

All concurred that a youth center was necessary and that they were willing to work toward a successful operation. In the near future, a similar meeting will be held with representatives from the enlisted men's group.

Later, these two groups will meet to outline equitable means whereby the future youth center will be satisfactory to the youth of this community. In addition, the proposed plan calls for the formation of an adult group which will work with the youth groups to determine the club's programs, fiscal budget requirements and sources of support, rules and regulations, age limitations, membership selection procedures, etc.

Individuals who have already volunteered to assist in this venture will be notified of the time and place of the first organizational meeting.

The work of the committees should be completed in two or three months and it is estimated that the new organizational plan will be completed soon thereafter. The phase-out of the present operation and the establishment of the new plan will be coordinated by Station Command and the Community Council.

Insurance Agents To Aid Policy Holders

Outside claims representatives from the Aetna Casualty and Surety Company and the Blue Cross will be available next week for consultation.

Blue Cross agent may be contacted next Wednesday in the Housing Building conference room from 9:30 a.m. to 1 p.m. and from 2 to 5 p.m.

Aetna agent will be on board for two days, next Thursday and Friday, in Room A of the Community Center. His hours will be from 8 a.m. to 5 p.m.

Our distrust justifies the deceit of others. — Rochefoucauld.

Let us not run out of the path of duty, lest we run into the way of danger. — Rowland Hill.

READ COMMENDATION—Kay Beresford's parents, Don and Virginia Beresford, share parental pride as they read Captain Blenman's commendation to their daughter for her part in saving a boy's life at the Station pool last month.

Local Girl Commended For Saving Boy's Life

Last Monday, 14-year-old Kay Beresford received a letter of commendation signed by Station Commander Captain Charles Blenman for her timely action in saving the life of a 13-year-old boy at the Station Pool on June 17. The presentation was made by Executive Officer, Captain John Quensé in the presence of her parents, Mr. and Mrs. Donald Beresford.

The commendation stated, in part: "... there is considerable evidence that your intelligent and timely action contributed materially to saving the life of this boy." The victim was Jerry Jordan of Bakersfield who was visiting an aunt in Ridgecrest.

The incident started when Kay spotted the boy lying on the bottom of the pool at the 11 ft. depth. She quickly called a fellow swimmer, Ronald Booth and both dove to the bottom and brought up the unconscious victim. Artificial res-

piration was applied at once until the arrival of the duty lifeguard, Norbert Winkler, who took over while Booth summoned the Fire Department Rescue Group. The rescue team applied oxygen to complete the victim's recovery. Lt. Paul E. Tyler, the duty doctor, arrived shortly after the rescue team and pronounced the boy's condition as good.

There were at least 150 swimmers at the pool when the accident happened. Whether the lifeguards would have spotted Jordan in time is hard to say.

WELCOMED—Chaplain Jones welcomes his relief Chaplain Fenning.

Commander Robt. C. Fenning Relieves Cdr. R. "Q" Jones as Station Chaplain

Cdr. Robert C. Fenning reporting from the Headquarters of the Fleet Marine Forces of the Pacific in Hawaii relieved Cdr. Robert "Q" Jones as Station Chaplain this week.

Chaplain Jones left Tuesday for duty aboard the new nuclear powered cruiser, USS Long Beach, which is being outfitted on the east coast. He will be her first Chaplain. He has served as Chaplain here since September 1958.

Graduate of Concordia
Oregon born, Chaplain Fenning is a graduate of the Concordia College at Fort Wayne, Ind., and the Concordia Theological Seminary, St. Louis, Mo. He has also attended the U.S. Naval School for Chap-

lains at Williams and Mary College, Williamsburg, Va.

Before entering the Navy in February, 1945, he was pastor of Our Savior's Church in Portland, Ore.

Service
Since his entry into the service he has served aboard the following ships: the USS Rescue, the USS Benevolence, the USS Missouri, the USS Shangri La. Other tours have included duty at NAS Whidbey Island, NAS Adak, and with the Marines in Korea, and at Camp Pendleton, as well as the Navy Retraining Command at Camp Elliot.

He and his wife, Luella, have two daughters, Deborah, 12, and Naomi, 11.

Supervisors Utilize Incentive Awards Program to Cite Employee Initiative

The Station's quarterly incentive awards roster for Sustained Superior Performance and Superior Achievements contained an impressive 269 count giving Engineering Department the nod on employee recognition. Sixty-six individuals in that department accepted certificates and monetary honors for their special efforts and initiative.

There were 172 Sustained Superior Performance awards and 97 Superior Achievement awards in that Station-wide tally for a total of \$39,330.

Engineering

Sustained Superior Performance: Madilyn L. Adams, Allen G. Barrett, James R. Bowen, Arthur S. Brookman, Ernest G. Cozzens, Mor-

garet F. Craig, Helen Gaar, Burrell W. Hays, Geo. M. Horn, Robert G. Kearley, Catherine M. Kraynk, John W. Lindberg, John Machowsky, Mary E. McClendon, John J. McKinney, Mary Jane Morgan, Peter F. Nicol, Ronald C. Noles, Raymond C. Reed, Russell N. Skeeters, Mitchell M. Thorngate, Roland C. Valtichka.

Also, David W. Tucker, Nicholas J. Waddock, Gordon F. Zurn, Joseph M. Totten, John P. Rowell, Hulsy D. Ridge, Lester J. Parish, Arthur L. Pankama, Anthony Noto, Charles J. Mueller, Carl J. Manhart, Roy M. Kirk, Jack M. Hacker, Norman Howarth, Norbert W. Hartman, Herbert P. Harshberger, Charles F. Gallagher, James M. Egbert, Albert M. Cram, John W. Ball.

Superior Achievements: John Davies, Raoul J. Landry, Theodore P. LeGrand, James Simpson, Earl E. Suladzie, Walter F. Kowalski, E. E. Brooks, L. Ellis, W. C. Knoblauch, E. W. Thomas, John R. Harris, Francis L. Albers, W. H. Faith, D. Cooper, E. V. Dupre, G. R. Reymore, M. P. Collings, H. Braspeninkx, Raymond Cleland, Roy J. Gerard, Henry W. James, Walter E. Osborn, Floyd Smith, Jesse G. South.

Propulsion Development

Sustained Superior Performance: Dino A. Sbrocco, L. L. Rogers, W. E. Osmundsen, Daniel Meraz, S. G. Lieberman, W. J. Koch, G. Hamilton, M. M. Ender, M. P. Clark, P. T. Barnes, B. G. Brown, J. L. Carter, F. Felix, J. K. Gonzales, A. W. Hartman, D. A. Henden, C. H. Hire, M. A. Pooley, L. D. Radcliff, E. M. Roy, R. F. Taylor, H. L. Wisler.

Superior Achievement Awards (Patents): Lloyd J. Bonaszok, Ray F. Hinton, R. G. McCarty, L. J. Kraynk, C. L. Scheller, M. H. Kautschon, P. E. Stang, R. A. Breitengrass, W. E. Donaldson, R. D. McKee, H. T. Sampson.

Research Dept.

Sustained Superior Performance: Mary J. Allison, Walter D. Coffery, Freda B. Cleveland, Fred H. Davis, Eric O. Evered, Andrew Fabula, Edith E. Follis, Mabel J. Madden, John Pearson, Gilbert J. Plain, Edward W. Price, Lee E. Humiston, Leona Humiston, William R. McBride, James G. Moore, Edna E. Murbach, Virginia L. Pearis, Verna Rogers, Cass R. Roquemore, Margaret E. Scherer, Mary Lee Sizemore, William W. Steele, Harold R. Turner, John L. Hinds, Lawrence J. Hahn, Ernest E. Burris, Daniel J. Dempsey.

Superior Achievement Awards: John K. Daley, L. G. LaMarca, Jack R. Lovett, Ruth P. Lytton, John F. Roberts, H. J. Sprouse. Patents: Thomas G. Long.

Test Dept.

Sustained Superior Performance: Philip G. Blew, Curtis V. Bryan, Viola E. Biston, Gladys E. Bolton, Harry L. Devereaux, Morton L. Ertl, James J. Glaviano, Richard H. Harris, Elva B. Higbie, Marvin K. Jeffris, Janet E. Long, Richard W. Mace, George R. Meuser, Frank R. Pitzer, Roy M. Pullen, Dacia M. Rana, John A. Robertson, Edward P. Short, Walter K. Smith, Grace E. Whaley, Charles E. Woods, Rafael C. Alvarado, James R. Cotterman, Joe K. Ford, Jason E. Kephart, Tim L. McClendon, Udell E. Schmitz, James F. Stillwell.

Superior Achievement Awards: Ruth A. Davis, Donna L. Kluecker, Vernice R. Radcliff, Carroll L. Evans, Henry L. Bogue, Donald J. Rossin, Daniel P. Soto. Patents: John W. Topham.

Supply Dept.

Sustained Superior Performance: Jesse A. Bell, Mary G. Seaman, Birdie F. Webb, William B. Scarborough, James E. Poore, Pearl K. Law, Beulah B. Glidewell, William D. Giano, Robert E. Eldorado, Andrew J. Moody, Bernard A. Stessan.

Superior Achievement Awards: Catherine Hines, Kathryn Courson, Shirley Ebersberger, Thomas Healy, Everett E. Yelland, W. J. Sulek, A. E. Plante, D. R. Wilcox.

Personnel

Sustained Superior Performance: Robert P. Billers, Mary C. Harris, Virginia A. Keyes, Emma H. Teffeller.

Superior Achievement Awards: Rudolph Souser, Austin E. Ross, Dean R. Hewitt, Joseph Francis, Frank Prachik, Donald David, Herbert Swader, Burton H. Koucher.

Aviation Ordnance

Sustained Superior Performance: John M. Brown, Mary E. Ekstrand, Bernard F. McLaughlin, Wilburn Nichols. Patents: Paul C. Driver.

Superior Achievement Awards: Gladys A. Bird, Franklin Lydon, Michael Vernon-Cole.

Weapons Development

Sustained Superior Performance: Gladys A. Bird, Franklin Lydon, Michael Vernon-Cole.

Superior Achievement Awards: Lee R. Argabright, C. Johnson, George Gregory.

Public Works

Sustained Superior Performance: Audrey E. Nichols, Louise E. Curtis, I. W. Coleman, Floyd D. Maxwell, Floyd E. Rockwell.

Superior Achievement Awards: J. F. Armstrong, Wayne R. Jackson.

Technical Information Dept.

Sustained Superior Performance: Royford

Quarterly Report For Benny Suggs

One employee each from the Propulsion Development Department at China Lake and the Underwater Ordnance Department at Pasadena led the field for top monetary awards in the Beneficial Suggestions program for the period April 1 to June 30, 1961.

Art Block (Code P8966) received \$375 for the development of a camera capsule for use in torpedo air drops, thus providing photography to study parachute deployment, flight gear functioning, and weapon oscillations.

Carl C. Schwind (Code 4572) designed and manufactured a crimping-die part which materially improved the crimping method used in the Sidewinder missile. Savings of \$10,000 for the first year of operation were based on the additional material saved with the new reclamation procedure, and the cut in time realized by using the revised technique. Schwind received \$275.

A total of twenty-six ideas gained their suggestors \$1,649 in awards during this past quarter.

Supply Dept.
Cecilia M. Rapier—\$75, Florence P. Walker—\$15, Lewis A. Radcliff and George Bowles—\$25, Blanche M. McKernan—\$10.

Aviation Ordnance
Lucy A. Allen—\$100, Jack S. Newman—\$50, William K. Webster—\$35.

Engineering
Joseph M. Totton and Roy M. Kirk—\$90, Earl P. Myers—\$50, Charles R. Thomas—\$40, A. V. Sievert—\$15, Herbert G. Belisle—\$10.

Personnel Dept.
Robert W. Stephenson—\$25.

Public Works
Lloyd E. Wall—\$80, Quinton M. Embree and Eddie F. Sauer—\$25 each.

Public Works, Pasadena
Ray D. Becktel and Arthur G. Southstone—\$10 each.

Underwater Ordnance
Wilhelmina Fortuna—\$200, Earl Blake—\$50, William F. Peete—\$20, and Beatrice S. A'Hearn, Katherine P. Atkins, Earl Blake and Clarence R. Hauske—\$10 each.

V. George, Florence A. Dinsmore, Daisy N. Gates.

Superior Achievement Awards: Wilbur D. Dickinson, Harold P. Lindberg, E. Kirkbridge, R. Sinnott, B. Buller, M. Cameron, V. Jones, F. Fetterker, R. Thomas, W. Miller, Dorothy Morris, Thelma St. George.

Office of the Commander
Sustained Superior Performance: Nona P. Turner, Richard W. Rusciello, Haskell G. Wilson.

PASADENA
The following are employees of the indicated departments within the Pasadena activity.

Officer in Charge
Sustained Superior Performance: Evelyn T. Jordan, Margaret Kaa, Virginia M. Olson, Jeannine Walls.

Superior Achievement Awards: Harold C. Lakes, Harry Levenbach, Anthony J. Stec, Lell O. Larsen, Jack S. Hughes, Carl Hanson.

Test Dept.

Sustained Superior Performance: Benjamin D. Larvie.

Superior Achievement Awards: Ballazal Lazano, Novia C. Hadravsky, George J. Beauchet.

Public Works
Sustained Superior Performance: M. L. Hill, Joseph L. Kramer, Donald A. Secord, Emil V. Wimmer, Thomas E. Short, Theodore G. Lampman.

What's Doing IN RECREATION

From the Special Services Office

BEST FOOT FORWARD—Members of the Junior High School modeling class strike a pose with their instructor, Evelyn Green, during a special exhibition conducted for parents and friends. The young ladies learned the rudiments of proper carriage, dress and makeup. Shown (l-r) are: Mrs. Green, Judy McGinnis and Giovanna Casaroli.

The Sage Sharks Diving Club held its yearly election of officers this past week. Elected were: Art Brookman—president, Paul King—vice-president, Barbara Fredericks—secretary, and Bill Benson treasurer. The club members extend a "well done" to the retiring club officers.

The diving club will hold a two-day excursion on July 29 and 30 at Santa Barbara and Catalina Islands. The "Golden Dubloon" will leave Friday night from the 22nd Street pier in San Pedro and will sail to Santa Barbara. The group will spend Saturday night at Avalon Harbor in Catalina, leaving for San Pedro on Sunday afternoon.

All qualified divers are invited. For further info contact Barbara Fredericks, Ext. 75073.

USO Facilities
Effective immediately, two USO Clubs in Los Angeles will be at the disposal of all Armed Forces personnel and their dependents. The downtown USO Club is located on the mezzanine of the Rosslyn Hotel on Fifth Street and the Hollywood USO is on Hollywood Blvd. one block east of Vine. These clubs are open 7 days a week with programs, information, referrals and other USO services.

Programs formerly run at facilities on Olympic Blvd., Burlington Ave., and E. 28th Street in Los Angeles have been discontinued.

Santa Barbara Shows
The Santa Barbara National Horse Show and Flower Show is

'Acey-Deucy' Club To Hold Dance Sat.

The Keynotes bring their inimitable musical styling for your dancing pleasure tomorrow night and share spotlight honors with the singing LaRosa twins, Bob and Ron. Dancing is from 9 p.m. to 1 a.m.; show time is scheduled for 10:30 p.m.

The Club is planning a variety show during the month of August and those of you with an entertainment talent are invited to audition. Auditions will be held Thursday, July 27, from 7 to 10 p.m. If you cannot appear at that time, call Pat Cully, Ext. 72274 and other arrangements will be made.

Any member not receiving the club's monthly letter is urged to contact the Club office. All activities are listed in the letter.

being held July 14-22. The West's finest show horses compete in this show, now in its 42nd year, for over \$32,000 in cash and plate. The Flower Show is held in a huge domed building, especially built, made into a massive garden of plants, blooms, and trees.

Laguna Beach Festival
The Laguna Beach Annual Festival of Arts and Pageant is being held July 15 through August 13. Hundreds of residents of this picturesque seaside art colony act as the models, costumed and made up by artists, posing in giant gilt frames, for 24 living pictures nightly at the "Pageant of the Masters." Favorites are "Blue Boy" and "The Last Supper."

Artists paintings and craft are displayed on festive grounds and there are "free-for-all" art classes for children. Gates open at noon.

RAFT Club News
A Juke-box and Record Hop are planned features for this month at the RAFT Club. Tomorrow night and next Saturday, July 29, are the dates for these affairs. Dancing is from 8:30 to 11:30 p.m. There is no charge, however, RAFT Club membership cards are required for admittance. Dress for the occasion is sport shirts and slacks for the fellows and summer frocks for the gals.

Paul Vaughn will M.C. the July 29th record hop and play all the new top recording favorites as well as the old "goodies." Be sure to be on hand for these "fun-time" events.

China Lake teen-agers who have not visited the RAFT Club recently are urged to drop by any time during Club hours and get acquainted. You undoubtedly will meet old friends and make new ones. Juke-box dancing is always allowed and table games such as pool, ping-pong, and shuffleboard are welcome ways to relax during these warm days.

Club hours are from 2 to 10 p.m. Tuesday through Friday; 2 to 11 p.m. on Saturday. On dance nights closing time is 11:30 p.m. Club director Stefa Delys welcomes suggestions from Club members as to the programming of dance events for the coming month of August, as well as excursion ideas that may be planned for member participation. Parents are invited to drop in to visit during Club activity hours.

SHOWBOAT

FRIDAY JULY 21
"GIDGET GOES HAWAIIAN" (101 Min.)
James Darren, Deborah Walley

(Comedy) A genuine teenager plays diminutive heroine in sequel to "Gidget." Vacationing parents pose a problem for their more serious offspring. Lots of humor and beautiful Hawaiian setting.

(Adults-Young People)
SHORTS: "Water Sports Champs" (9 Min.)

SATURDAY JULY 22

—MATINEE—
"JALOPY" (62 Min.)
Bowery Boys

1 p.m.
SHORTS: "Bear and the Bean" (7 Min.)

"King of Rocket Man No. 2" (13 Min.)

—EVENING—
"KONGA" (90 Min.)

Michael Gough, Margo Johns

7 p.m.
(Horror) A university botany professor and scientist survives a plane accident in an African jungle. He returns to London with a pet chimpanzee and a package of tropical plant roots to prove they will stimulate growth in animal life. A giant gorilla devours from an overdose of the plant administered by a jealous girl friend. A series of crimes and horror follow until the gorilla shrinks back to size. (Adults-Young People)

SHORTS: "Hawaiian Guy" (7 Min.)

"Putt Putt Trouble" (7 Min.)

SUNDAY-MONDAY JULY 23-24

"POSSE FROM HELL" (89 Min.)
Audie Murphy, John Saxon

7 p.m.
(Western Drama in Color) Audie Murphy heads a posse of seven who ride after four killers. One by one the vigilantes meet various fates leaving Audie to finish the job alone. Has strong suspense and the values of courage and what makes a man a man.

(Adults-Young People)
SHORTS: "Savage Shootin' Square" (7 Min.)

"The Golden Fish" (20 Min.)

TUESDAY-WEDNESDAY JULY 25-26

"SNOW WHITE AND THE THREE STOOGES" (107 Min.)

ARTISTIC CREATIONS—Cake decorating instructor Loraina Anderson

admires students' handiwork. In keeping with the season's favorite sport, Addierene French (l) exhibits a mitt and ball and Dale Lane (r)

prepared a torso-shaped delicacy for presentation to Jean Cone on her last day at NOTS.

Station Crew's News

By B. C. Sipin, PNI

Hilton A. Alter, RM1-P1, of the 2nd Division, reenlisted for six years after completing over 15 years of active naval service. Prior to his assignment at NOTS, he spent a tour of duty on the USS Bushnell off the Florida coast.

A truly energetic person, he uses his off duty hours working in the Gas Station or dubs as a handy man installing TV antennas for a local firm. A native of Louisiana, Alter contemplates taking reenlistment leave pretty soon.

Personnel Division welcomed aboard Antonio P. San Nicolas, YN3, after a tour of duty from the USS Chemung (AO-30), homeported at Long Beach. A native of Guam, San Nicolas expects his wife's arrival at China Lake in the near future.

Supply Division extends greetings to N. R. Thompson, SKCS, (and family) from the USS Princeton. A veteran of over 19 years service, and a native of Kansas, Thompson is presently on leave at Long Beach prior to assuming duties with the Supply Department. He is scheduled to relieve Chief Coffelt who will leave soon.

Seventh Division welcomes J. N. Shriver, EMCA, and his family. His last duty was in Kodiak. He is a qualified EOD diver, and previously served with UDT TWELVE, and UDT THREE, involving explosive demolition and had the same assignment while at Kodiak.

R. E. Williams, SFP2, from the USS Lexington was welcomed aboard this week by the Commissary Stores Division. He claims he

Hughes Aircraft Ball Club At NOTS for Return Game

The Station Military Softball Team plays the Hughes Aircraft nine tomorrow night at the Beer Hut diamond.

Game time is 8 p.m. This is the second meeting for these teams, the NOTS team won by a score of 6-2 two weeks ago in Culver City. The Station baseball team travels to Los Angeles tomorrow to take on the Paramount Angels in a night game at Sawtelle.

It was a rough weekend for the local baseball and softball teams this past week. The NOTS baseball team lost a 7-6 ball game Friday night to the Boron Air Station and on Saturday night dropped a 21-2 game to the Dunn-Edwards team from Glendale.

In softball play, the Ridgecrest Merchants lost a 10-9 game at Bishop to the Union Carbide team. The Station military team was beaten 17-1 by the Pacific Forge Club from Pomona.

SOFTBALL SCHEDULE

July 22
Hughes Aircraft vs. NOTS 8:00 p.m.

NAF	292.09
Code 65	25.00
Miscellaneous	7.60
Total	\$3088.56

REPORTS TO NAF—Cdr. Louis F. Knight, new Administrative Officer for the Naval Air Facility, reports from Staff, Naval Air Bases, 3rd Naval District, New York. During his 20 years with the Navy, most of Cdr. Knight's experience has been with anti-submarine warfare. He and his wife, June, have been assigned temporary quarters at 1601-A Radford.

News From Pasadena

100,000 Visitors View NOTS Exhibits at Long Beach During Three-Day Program of International Trade Show

An estimated crowd of 100,000 persons viewed NOTS exhibits last week during the Long Beach International Trade Show held July 14 through 16. More than 20 nations plus firms from throughout America participated in the event.

The NOTS exhibit included a full-scale ASROC missile and a one-fifth scale Polaris model as well as slide-tape narrations on the programs. A full-scale Polaris, provided by Lockheed, was on display near the Auditorium entrance.

NOTS Pasadena personnel were on hand to discuss the Station's facilities and test work. They were Lt. (jg.) Allan I. Stutz, Carney Kraemer and Nova Semeyn of Administration Division and Leonard Semeyn of Underwater Ordnance Department.

25 Years

Frankie Hawkins CS Career Ends

It's the life of retirement now for Frankie Hawkins, a Supervisor in the Services Branch of Procurement, Supply Department. Last Friday was her last day, following 13 years at NOTS Pasadena and more than 25 years of Civil Service.

Plans for the future call for "just doing nothing for a while." Frankie first entered Government service in Washington, D.C. with what was to later become the Veterans Administration. Leaving Washington, she again joined Civil Service in 1935 in Oklahoma, as the Director's Office of WPA. She transferred to the Federal Housing Administration two years later and was with their Oklahoma City office for almost nine years.

Moving to California in 1946, she was with the FHA in Los Angeles, later joining the Veterans Administration in Westwood. She transferred to NOTS Pasadena in July 1948.

PROMOTIONAL OPPORTUNITIES

Supervisory Mathematician, Engineer, or Physicist, GS-13, PD No. 24540, Code P8053.

Duties: Perform and supervise weapon systems analysis, including theoretical determination of weapons systems capabilities, kill probabilities, safety analyses, and system error analyses. Work includes applications in the fields of aerodynamics and ballistics. Supervise data reduction group. An up-to-date SF-58 must be submitted when applying for position.

Closing Date: July 28, 1961.

Contact Nancy Reardon, Pasadena Personnel Division, Ext. 104.

A father asked his prospective son-in-law if he could support a family, and we have to admire the young man's answer — "No, sir, I was only planning to support your daughter. The rest of you will have to take care of yourselves."

Today's underprivileged child is one who has to share the family car with his parents.

NOTS STORY TOLD—Crowds at the three-day Long Beach International Trade Show view programs on NOTS projects. Above, visitors watch a slide-tape program on the ASROC system.

Division Head Tom Mico Leaves to Join North American Aviation Firm in Downey

Tom Mico, a NOTS employee of 16 years and Head of the Pasadena Division of Test Department, is leaving. Today is his last day here. After a three-week vacation, he will report to North American Aviation in Downey to work in the space and information system program.

Acting Head of P309 for the next three weeks will be Walt Brisch, Head of the Division's Range Operations Branch.

With NOTS since 1945, Mico reported to China Lake as a Physicist in the Ballistics Division later becoming Staff Assistant in the Division Office. In 1950, he went to Central Staff's Technical Division, and then served as Head of Staff for the Aviation Ordnance Department for three years.

Transferring to Pasadena in 1954, he headed the Underwater Ordnance Department's Planning and Administrative Division, then became Assistant Department Head. In January 1958, he left UOD for his present position with the Test Department.

Mico has been responsible for the establishment and direction of a Test Department organization in Pasadena with primary concern for underwater test programs at San Clemente Island.

Mico and his family are planning a trip to Wisconsin before

Let's Go Bowling

An additional new bowling league is now being formed for NOTS employees who would like to meet on Friday evenings at 6:15 p.m. at Ivy Noren's Lanes, near the Foothill Plant.

There are already 18 persons signed up, more than enough for three teams. With eight teams, there would be a great going concern. You don't have to be good (we hear of one person who has a 70 average), so don't be bashful about signing up. It's good exercise, a good sport, and you'll have lots of good times.

To put your name on the list for fun, call either Carney Kraemer or Nova Semeyn.

Range Supervisor At SCI Transfers

Henry W. Schadee, Range Supervisor at SCI for the past 18 months, leaves today to join the Naval Ammunition and Net Depot, Seal Beach where he will be the Supervisory Mechanical Engineer in their Quality Evaluation Department.

Schadee has been with NOTS, China Lake and Pasadena, since 1946.

Many employees spend time shining up the boss that they should use in polishing off some work.

Correction

Our apologies to Don Ayers of Foothill, newly-elected member of the ESO Council. A typographical error in last week's Rocketeer listed him as Don Myers.

Ayers will represent Foothill along with Jane Ingham, Jack Hughes, and Doc Strohmeier on the Council throughout fiscal year 1962.

Two veterans were reminiscing: "Were any of your boyhood ambitions ever realized," asked one. "Oh yes," was the reply, "When mother used to cut my hair I often wished I might be bald."
