Burros cagers lose season finale to Antelopes, 76-71

Burroughs High's varsity basketball team closed out its 10-game season last night at the Naval Weapons Center in Ridgecrest, losing to host Antelope High, 76-71.

The defeat, which was the fourth in a row for the local high school club, came with a record of 9 wins and 1 loss in league play. The team lost twice to the Antelopes last season, but beat them in a league game when the Antelope gym was closed because of floods that made it impossible for the visitors to play.

In their previous encounters with these two teams, the Burros defeated the Ridgecrestians twice, but lost to the Antelope in the final tally of 36-37.

Burros head coach Tony Laul said he felt his team was ready to face Antelope, and was disappointed that his team could not have a better result.

Burros' Tom Sullivan said he was happy with the way his team played, and felt that they could have done better if they had had more time to practice.

Burroughs High School's varsity basketball team played a close game with Antelope High, but lost by a score of 76-71.

The Antelope's varsity team played a solid game with Burroughs, but a late three-pointer by Burroughs' John McIlroy gave the Burros the lead, which they never relinquished.

In the opening game of the tournament, Antelope played against Burroughs, and the game was tied at 31-31 going into the half-time break. In the third quarter, Antelope took the lead, and held it until the buzzer sounded to end the game.

In the only other Division C game played that day, Jokers defeated the Wild Bunch, 26-22.

In their previous encounters with these two teams, the Jokers had won both games, but the Wild Bunch had a close game with Antelope, and lost by a score of 38-30.

The Antelope had a record of 3 wins and 1 loss in league play, while the Wild Bunch had a record of 1 win and 3 losses.

In the opening games that were played that day, the Guns defeated the Devils, 23-19, and the Devils Guns defeated the Guns, 44-23.

Additionally, those interested in women's pants and shoes, change for the roll, or any other items, please contact the women's plus size program.

**8 yrs. of off-duty study nets BA degree for Navy chief.**

The fulfillment of one of his lifetime goals was realized recently by John P. Romey, Chief Astronaut Technician, in charge of the NWC aircraft field, when he earned a bachelor of arts degree in social science during mid-year commensurate courses held at Chapman College in Orange, Calif.

At the time of his assignment here, he decided to take a leave of two years since his graduation from college, to prepare higher education by attending courses that were scheduled to be held at Chapman College. He was able to continue studies during his second tour of duty at the Naval Weapons Center.

He received an AA degree in 1974 and then entered as a midshipman before entering the resident education center at Chapman College. He was able to continue studies for his BA degree during his time here and was assigned duty with Flight Simulator Center, 2nd Regional Aviation Center.

He earned a master's degree in the field of human resource management in 1975, and since then he has continued to study in the field of economics.

**Employee Services Board has smoke detectors for sale.**

The Employee Services Board announces that it has on hand smoke detectors for sale to Center employees wishing to protect themselves in case of home fires. These detectors are a type that can be mounted on the walls of a room or the ceiling, and they are available in two models, the No. 1 and No. 1A household type. They can be purchased for $25 each, a saving of nearly 48 percent over the usual retail price.

These interested in purchasing the detector may do so between the hours of 7 a.m. and 9 a.m. or 11:30 a.m. to 1 p.m. at the afternoon at the Community Center. Checks or money orders must be made out payable to the Employee Services Board.

NWC Fire Division personnel at the main fire station (center of history and lawns) and Fire Station 3 at the airfield will be happy to answer questions on installation of these devices to Center military and civilian personnel.

Those seeking further information about these detectors can call the ESB at 468-4688.

**Company expands workshop set for blue collar workers.**

Applications for on-the-job training being taken from Naval Weapons Center employees who are interested in attending a Career Expansion Workshop for Blue Collar Workers.

The workshop, which is intended for those employed in various trades, fields, and disciplines at the Weapons Center, offers the opportunity to explore new career options available to them. The workshop is designed specifically for individuals in exploring career options.

This program is targeted primarily at an individual's responsibility, motivation, and determination. Individuals interested in exploring career options are encouraged to make an appointment with a counselor.

The Career Expansion Workshop staff will be on hand to provide guidance and to help hold career options open. The career counseling center will be open by appointment only.

The orientation session, which the employees will attend, is designed to explain in detail and participate will be given tasks aimed at identifying their motivations and occupational interests.

The workshop will be held on March 18 and 20 from 9 a.m. to 12 p.m. and 1 p.m. to 4 p.m. at the Community Center.

During the orientation session, participants will be given tasks aimed at identifying their motivations and occupational interests.

The workshop will be held on March 20 and 21 from 9 a.m. to 12 p.m. and 1 p.m. to 4 p.m. at the Community Center.

**Rainfall record...**

(Continued from Page 10) Public Works Department spent a lot of time making sure that storm drains and culverts were clear of debris. This work was done off of the highways system in the surrounding areas. The storm drains and culverts were clear of debris. The work was done off of the highways system in the surrounding areas.

While the unusually heavy rainfall has not caused any damage to public works employees at the Public Works Department, they are still on the job on their roads and roadsides.

This past Monday morning, E. A. Walker, an employee of the Public Works Department, was busy with some of the heavy work.

Walker was busy with some of the heavy work.

There are a few areas where we know that range roads can be washed out, but we are trying to take care of the heavy water-transported roads that are located closer in first. Walker said.

The only area in the north range areas on Monday morning was by the Gusher and Gusher, Walker said, and we note road 10 miles from the main areas of Rapid.

Brown Bag Seminar slated on “Physical Outlets for Stress.”

The seminar will be the subject of a Brown Bag Seminar on Tuesday from 11 a.m. to 12 p.m. in the Community Center.

The speaker will be Robert Smith, an instructor from the Community College, who teaches yoga, meditating, swimming, and aerobics dance both here and internationally.

The speaker will be Robert Smith, an instructor from the Community College, who teaches yoga, meditating, swimming, and aerobics dance both here and internationally.

The seminar is part of a series sponsored by the Employee Assistance Program to help civilians and military personnel deal with stress. All interested persons are welcome to attend. Attendees are reminded to bring a brown bag lunch.
