MARS station operation, MARS operators relay messages from Fleet to families in U.S.

Volunteers involved in operation of the Military Affiliate Radio System (MARS) station that is now set up and operating at the Naval Weapons Center helped to make the holiday season a bit cheerer for more than 20 Navy and Marine Corps personnel assigned to duty on ships in the Pacific and Indian Oceans. The MARS station here serves as an intermediary for receiving and patching through collect telephone calls from ships on duty, in order to establish personal communications between the men in the Fleet and their families.

MARS operators relay messages from Fleet to families in U.S.

VOLUNTEER HELP OUT—At the MARS station set up on the Naval Weapons Center, phones ring. Operators relay messages from ships in the Fleet to families in the U.S. via the MARS system. (Continued from Page 1)

Training opportunities

The Naval Junior Training and Education Center in San Diego offers training to Navy and Marine personnel. The center, established in 1944, is now a part of the Naval Electronics Laboratory in the Naval Nuclear Propulsion Program. The center provides training in a variety of areas, including electronics, computer science, and mathematics. (Continued from Page 2)

Promotional opportunities

Applications for Promotion to CDR (O-6) should be submitted in accordance with the Navy Personnel Regulations. (Continued from Page 1)

50 to compete in 2nd annual master's bowling tournament

50 to compete in 2nd annual master's bowling tournament

The Barrows came close to being eliminated on the first day of the San Bernardino tournament, but took charge in the seventh game and the series was won in the eighth game at 21-15. The Barrows then defeated the opposition in the following two rounds to qualify for the championship game.

A quick basket by Dalton Hoyt, a 20-point performance by Bob Kilty, and a 3-point play by Paul VanderWerf put the Barrows on top of the game at the start of the championship game.

This basketball season (1948) was followed by themouse season (1949), with Dave McDonald and Dave Westfall of Dave McDonald in the finals of the championship game.

The Barrows, who opened 14-13, continued in the regulation playing time, with a 5-point game by Paul VanderWerf, a 1-point game by Dave McDonald, and a 5-point game by Dave McDonald in the finals of the championship game.

The Barrows won their bid for the championship game in overtime after the defeat of the Barrows.
BHS boys nip Canyon cagers 70-69 in league tilt

Players, coaches and fans of the Burroughs High boys' basketball team were all in celebration Tuesday night when the BHS team not only defeated the 1992 Golden League foe with a victory (70-69), but pulled off a fine performance in the process. The win was also enough to keep the Crusaders alive in the race for the Western Section championship. The Crusaders were eliminated in the first quarter of play at 9-13 and were left with a 2-15 (.11) record. The Crusaders had nothing to cheer for during the game with the BHS team and so will say goodbye to the Western Section for the current year.

The Crusaders were eliminated in the first quarter of play at 9-13 and were left with a 2-15 (.11) record. The Crusaders had nothing to cheer for during the game with the BHS team and so will say goodbye to the Western Section for the current year.

Naval Weapons Center housing areas to get new, improved locked doors

Bill Billard, the new Housing Manager for the Naval Weapons Center, has taken his duty very seriously. He has worked as a summer employee in 1981 and 1982, and as a Gariepy, Wagar, Officer, at their Center. The new Center is a Mecca of Security, which he has visited. This is the current status of the new Center.

Billard, the leader of the new Center, has made it clear that he is taking a comprehensive approach to security. He has a team of expert security professionals working on the project.

He has emphasized the importance of ensuring that every part of the Center is secure from top to bottom. The new Center will be a model for security, with every aspect of it being strengthened.

Housing will also carry larger locks - and will be equipped with large security devices, garden and supply cabinets, and other new features.

In addition, all personnel now work on the Center's security and will be given the necessary training to ensure that they are well-prepared to handle any situation that may arise.

New year brings much stricter laws for DUI offenders

The new year brings much stricter laws for those convicted of driving under the influence (DUI) in this state. Billard has emphasized the importance of ensuring that these laws are enforced effectively.

The new laws are intended to deter anyone from attempting to drive under the influence of alcohol or other substances. The penalties for violating these laws are significantly increased, with the potential for longer jail terms and much higher fines.

The new laws also include provisions for mandatory drug testing and treatment for those convicted of DUI.

The new laws are the result of a comprehensive review of the existing laws and a thorough analysis of the impact of the current laws on public safety.

The new laws reflect the state's commitment to ensuring that our roads are safe for everyone. Billard has emphasized the importance of ensuring that these laws are enforced effectively.
